1) If saving as a .pdf file, please retain the edit function of Illustrator.

2) Do not group the design layers with other guide layers.

3) Group all panels once the design is completed.

Pactimo logo positions
Keep all locations for Pactimo Logo unchanged.
Pactimo logo color may be changed subject to approval.

Actual size is 100%. If using raster images, resolution must be acceptable at 100% enlargement.

The light blue lines are recommended/suggested areas for logos

Link any raster images and send the images seperately.

Colored lines define the Live Area.

Graphics will NOT line up across seams on all sizes.

Graphics must bleed to black lines.

Please position all graphics and logos in the design layer.

"Create Outlines" or supply fonts for all text before submitting artwork.

Explanation on use of Pactimo Color Swatches
1. Go to "Window" on the tool bar and make sure "swatch" is checked so that the Swatch dialog box will appear.
2. Double click on the swatches tab in the dialog box to reveal the PAC (Pactimo) color swatches.
3. Select a color to ensure you are choosing Pactimo numbers. All Pactimo colors are preceded by the letters "PAC".
